

KISTCO
Traditional Wedding Kists

Kist Company is passionate about their customers. We are committed to making your experience as hassle free as possible to make sure your wedding kist arrives quickly and safely to your reception or house. Our kists can be collected on site but our factory shop provides, with the help of The Courier Guy a well packaged kist which will take the stress out of your planning. Watch out for our delivery specials in KZN and we are now personalizing with engraving to make your kist complete.
